

Environmental Policy Statement

Updated: July 2019

Furnotel is conscious of its responsibility for the protection and improvement of the environment and is committed to minimising environmental impact throughout its influencing activities.

Furnotel aims to carry out its operations, according to the procedures given herein, to promote good environmental practice, whilst as a minimum, complying with all relevant environmental law and other requirements.

Management and supervisory staff are responsible for the implementation of this policy throughout the company, ensuring environmental protection is given priority at all stages of operations.

All employees and sub-contractors will co-operate with this policy during the course of the company's activities.

Furnotel will ensure that sufficient facilities, information, instruction training and supervision are provided, as is necessary to minimise environmental impact and promote sustainability.

The Managing Director has overall responsibility for all environmental matters. The operation of this policy and the associated procedures will be monitored and reviewed on a regular basis to ensure that they remain current and applicable to the company's corporate responsibility objectives.
